Marina Peredo, M.D., is a Board-certified dermatologist in private practice in Smithtown. She has been featured on *The View*, WLNY TV 55, and the Telecare Network, and in *New Beauty Magazine*, *Newsday*, *Smithtown News*, the *Smithtown Messenger*, and many other publications including international magazines. Dr. Peredo uses state-of-the-art technology for dermatology and offers complete skin care solutions for patients with all types of skin conditions and diseases. From acne treatments to microdermabrasion treatments, rejuvenating the skin, skin tightening, and sclerotherapy to treat those unsightly spider veins, Dr. Peredo strives in keeping in touch with all new developments in the field of dermatology.
